RETAIL PROGRAMS

How We Supply

The same production base supports four distinct program types — from shelf-ready retail packs to buyer-developed private label.

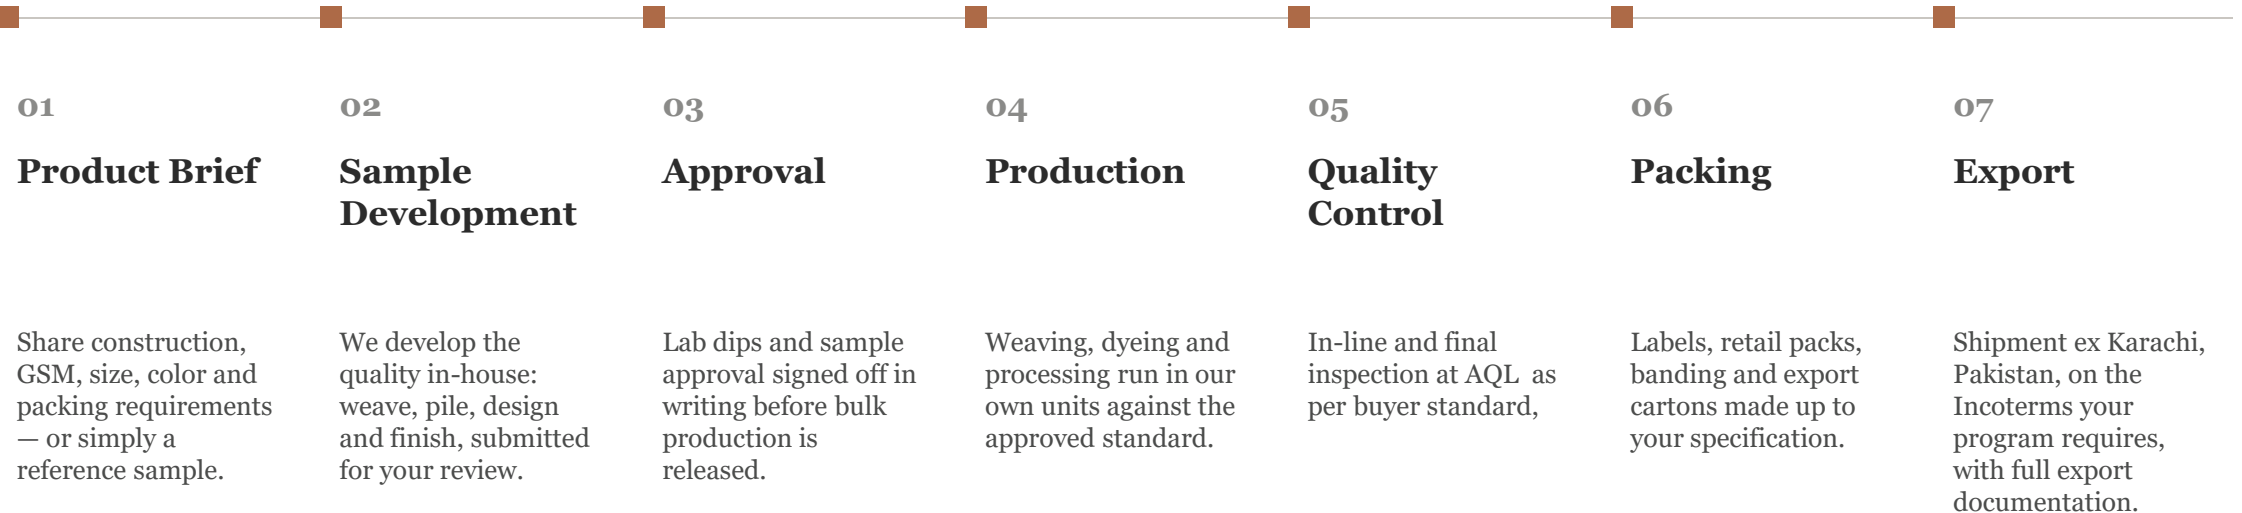

01	02	03	04
Retail Ready	Private Label	Hospitality	Custom Development
— Sets and open stock — Retail 4- and 6-piece packs — Labels and export cartons — Banded, shelf-ready presentation	— Custom product development — Custom colors — Custom designs — Custom packing	— Premium white towels, 12/S, 16/S and 20/2 ring-spun — Bathrobes — shawl collar, waffle, hooded — Bar mops and kitchen textiles — High-volume repeat programs	— Jacquard and yarn-dyed — Zero-twist and 1-side zero-twist — Waffle and dobby constructions — Buyer's own designs and artwork

Private label, custom development and hospitality programs are all supported in-house. Program terms are agreed against each specific brief.

PROGRAM DEVELOPMENT

From Brief to Shipment

A single point of contact from first brief through to export documentation.

Development, approval, production, packing and export are all handled inside our own units — you deal with one company from first sample to shipping documents.

OUR FACILITY

Inside Our Production Floor

A look inside our weaving, dyeing and finishing floors — Karachi, Pakistan.

01 • WEAVING

Woven on air-jet, shuttleless and jacquard looms, with pile height, GSM and ground construction set at the loom.

Loom control by our QC's fixes GSM and pile from metre one.

HAJI RAFIUDDIN WALIUDDIN

02 • DYEING & PROCESSING

Greige terry is scoured, bleached and dyed in-house, with lab dips signed off before bulk colour runs.

Shade and colour-fastness stay repeatable.

03 • FINISHING

Towels are tumble-dried to raise a soft, fluffy pile and remove lint, setting the hand before cutting and packing.

Hand feel and finish are verified by our QC,s before moving to stitching department.

Stitching, Packing & Dispatch

Made-up, packing, carton storage and container loading all run in our own units — the last stages before shipment stay under one roof.

01 · STITCHING

Hemming, borders and set assembly on made-up lines.

Held to buyer specification.

02 · PACKING

Folding, labelling, retail banding and shelf-ready packing.

Retail-ready, no rework.

03 · CARTON STORE

Marked cartons stacked in our own covered, dry warehouse.

Protected until dispatch.

04 · LOADING & DISPATCH

Cartons counted, loaded and sealed under our supervision.

Loading photos shared with buyer.
